eCADFEM Download Dial-In Change
September 2011

eCADFEM® - Engineering Software on Demand

Dear eCADFEM Customer,

If you wish to change your dial-in method, please return the completed and signed page **as PDF-document to ecadfem@cadfem.de**. The dial-in method can either be IP or user authentication. A combination of both is not possible. The activation of the changes made is confirmed by email.

Please feel free to contact us in case you have any question.
Best regards,

CADFEM GmbH
